# VOLVO

New Heavy Duty "Quick Hitch" makes connecting & Disconnecting the I-180TS2 to the Volvo T450D effortless. Once the hitch is installed on the hauler there are no pins to align and no tools needed to connect or disconnect the I-180Ts2.

The four ear configuration provides plenty of support for the hitch pin, the heavy duty latch and lock pin provide all the security

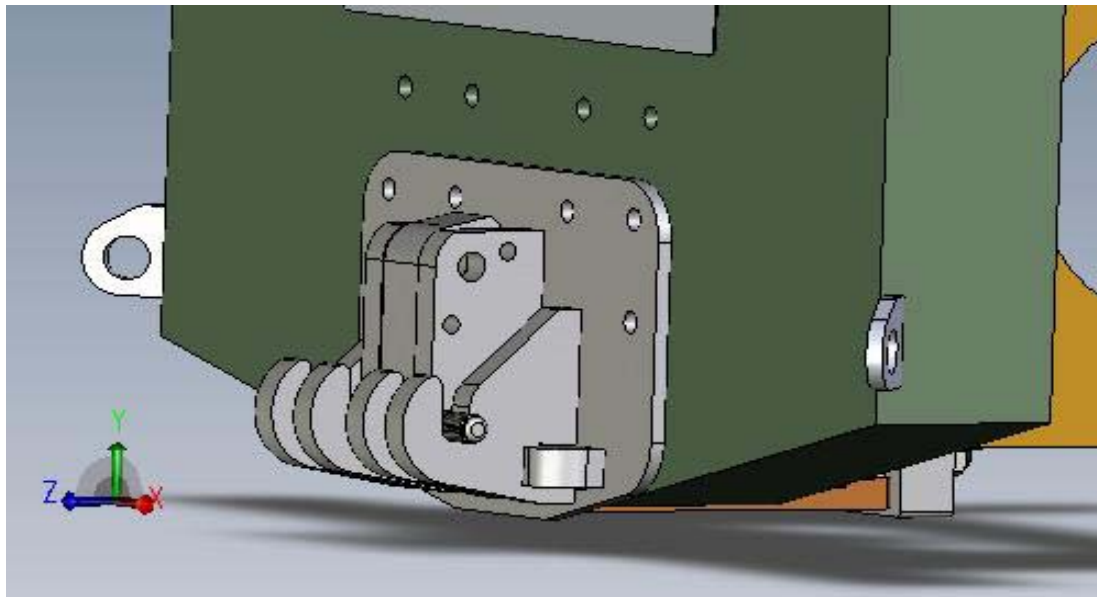

to keep the scraper connected even in the toughest applications.

The New "Quick Hitch" is available through Ashland Industries Parts Department for those T450D's already in your Fleets.

Also available through the Volvo Sales Order Team when ordering a new T450D and Ashland I-180TS2.
